ANN STREET SCHOOL
NEWARK, NEW JERSEY

Joseph N. Maccia, Principal

My congratulations to you the graduating class of 1997. You are on the threshold of a new beginning which contains a multitude of opportunities and perhaps an equal number of pitfalls. Rely on the keenness of your senses, the training of your parents and teachers, and your own good judgment. Remember that for every freedom there is an equivalent responsibility. Face these urgent responsibilities with dedication and determination.

Each positive achievement in your life strengthens your character. Your wisdom serves to increase self pride. Respect of self and others becomes obvious to all those with whom you communicate. Traveling through life with the proper values make your attainment of projected goals inevitable.

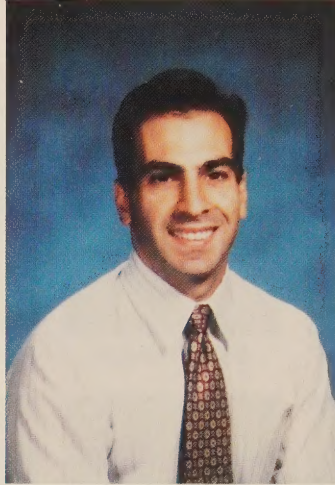

So it is with pride, not sadness, that I bid farewell to the Class of 1997 for I know your dedication to excellence and your commitment to the principles of freedom with responsibility will serve you, your community and your nation. Good luck and may each of you find the success you seek.

Sincerely,
Joseph N. Maccia, Principal

Farewell Address

Now that our years at Ann Street have come to an end, we look back on many memories. We remember the people, the good, the bad times, and the many new experiences that all have become a part of us. Many of these memories will be forgotten, but the lessons we have learned here will enable us to be someone who is always willing to give as well as receive.

There are many difficult years ahead of us, and they will not be easy. Life is full of disappointments and failures as well as good times and accomplishments. But, if we have perseverance and confidence in ourselves, we will be able to overcome any barrier that stands in the way of our success. Our years at Ann Street have given us the ability to achieve this goal.

So, as we leave you, Ann Street, we say goodbye, with mixed emotions of happiness and sorrow. We thank you for sending us out into the world as better people.

Ann Street Good-Bye

(1) We came here ... now we're going,
Schools are never quite the same,
We'll miss you ... dear Old Ann Street
Don't feel bad you're not to blame.

Chorus

So Ann Street good-bye
And we'll try not to cry,
All our mem'ries of you will live on
We will be blue ... 'cause we're leaving you
Soon our hearts will be leaving you behind.
Linger a-while, and we'll go with a smile,
Like a friend who just happens to call,
For the last time, we will say good-bye.

(2) We know now we must go, now,
Though our hearts plead us to stay,
High School is our to-mor-row,
You belong to yes-ter-day ...
(Chorus)

We, the graduating class of 1997, would like to congratulate Mr. Joseph Rendeiro on his appointment as Principal of Hawkins Street School.

We had the pleasure of having Mr. Rendeiro serve as our Vice-Principal for 14 years. During those years we came to know him not only as our Vice-Principal, but also as an ideal administrator, a distinguished educator, and a man of superlative standards, complete integrity, and boundless enthusiasm for whatever task he took in hand.

We would like to thank him for always giving generously of his time and effort in guiding us with patience and understanding. His example will serve as a positive influence in our lives.
